U.S. Embassy Dublin covers the consular district of the Republic of Ireland. The following list was prepared in June 2017. It is due to be updated in June 2020.

U.S. Embassy Dublin assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the following persons or firms. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy. Names are listed alphabetically by county, and the order in which they appear has no other significance. The information in the list on professional credentials, areas of expertise and language ability are provided directly by the lawyers; the Embassy is not in a position to vouch for such information. You may receive additional information about the individuals on the list by contacting the local bar association or the local licensing authorities.

A more extensive list of attorneys in Ireland can be found on the Law Society of Ireland website here: <https://www.lawsociety.ie/Find-a-Solicitor/>

It should be noted that the legal profession in Ireland is composed of two groups: (1) Barristers, who concern themselves only with court cases and have the exclusive right to plead in courts, and (2) Solicitors, who deal with all other legal matters, and who alone retain a Barrister. All Attorneys listed are Solicitors.
